## DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76)

CONTROL DATA CITE (67 CITE (170)				
Title of METHOD FOR MARKING A VEHICLE WHEEL FOR SUBSEQUENT IDENTIFICATION AND TRACKING				
As the below named inventor(s), I/we declare that:				
This declaration is directed to:				
The attached application, or				
Application No. PCT/US04/18082 fied on June 8, 2004				
As amerded on(if applicable);				
I.we believe that Ifwe am/are the original and first inventor(s) of the subject matter which is disimed and for which a patent is sought;				
live have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above:				
I/we acknowledge the duty to disclose to the United States Petent and Trademark Office all Information known to me/us to be material to petentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filling date of the prior application and the national or PCT International filling date of the continuation-in-part application.				
Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card author/zation form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioner/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compilance with 37 CPR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may gisc be available to the public if the application is reflected in a published application or an issued patent (see 37 CPR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.  All statements made herein of my/own knowledge are true, all statements made herein on information and belief are believed.				
to be true, and further that these statements were made with the knowledge that willful false statements and the like are chainshable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeoperdize the validity of the application or any extent issuing thereon.
